CamLok™ Shelves & Baskets

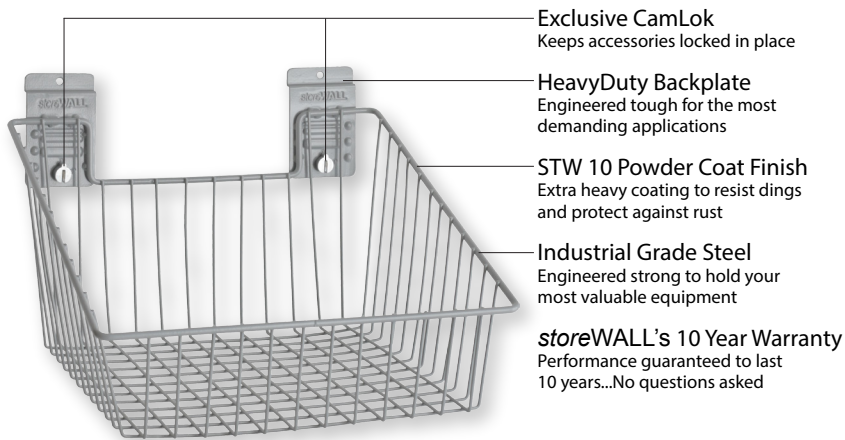

Watch our CamLok™ in action:

All storeWALL's shelves and baskets are guaranteed to hold your toughest loads and are the strongest in the market. If you can lift it, our accessories can hold it. All our shelves and baskets are built to perform with superior construction and the finest materials: industrial grade steel and heavy duty powder coat finishes will withstand years of use and abuse.

All storeWALL's shelves and baskets feature our exclusive CamLok system to lock your accessories securely into the panels. This chrome plated solid metal CamLok gives you the advantage of safety, security and protection. A simple twist holds the accessory securely in place; another turn and the accessory can be easily moved to a different location on the panel.
